

Leander Independent School District presents:

PARENTING THE *Love & Logic* WAY®

Both Mary Ann Kluga, RN, MPS, LCDC, Leander ISD's chemical abuse prevention program (CAPP) coordinator, and Sarah Romer, LPC, LMFT, CAPP counselor are facilitating the new "Parenting the Love and Logic Way®" course during the spring of 2017. The six-week program is designed to help parents nurture responsible, respectful, fun to be around children who will learn how to make their own choices, own their problems, think critically and logically for themselves, while parents let empathy and consequences do the teaching. The course is appropriate for parents with any aged child and any situation: home, school or even work. The instructional approach includes discussions, video clips presented by the facilitator, workbook exercises and homework to practice the "new" skills presented at each class. You do not need to have a child in Leander ISD to attend. Any one is welcome.

**North District Classes are Thursdays from 10:00 AM – 12:00 PM or 6:00 PM to 8:00 PM
at Running Brushy Middle School at 2303 Lakeline Blvd., Cedar Park 78613.**

The Parenting the Love & Logic Way® Class goals are designed to help parents:

- Create home environments that stimulate responsibility, resiliency, and academic achievement.
- Prevent misbehavior.
- Avoid power struggles while setting limits.
- Teach character and responsibility through modeling and the application of logical consequences instead of punishment.
- Teach children healthy problem-solving skills.
- Stay calm in stressful parenting situations.
- Help children become prepared to resist drugs, alcohol, violence, and other dangerous behaviors.
