

# You're invited!

## Bagdad Elementary welcomes you to participate in our SUMMER FAMILY FUN NIGHTS!

Your child has had a big year this year and has worked hard to acquire new literacy skills. As summer vacation approaches, we want to help your child maintain these literacy skills through our Book Bag Exchange Program. We will have a bag of specially selected books ready for your child to take home and enjoy reading. When your child is finished reading those books, please come back and return your original bag and get a new bag of books. Children may pick up new book bags on Tuesday and Thursday evenings. The school will be open **from 6:00-7:30 pm** for the Book Bag Exchange Program.

Pre-K/ELE students will be given books for parents to enjoy reading aloud to their children. Kindergarten-2<sup>nd</sup> grade students will be given books close to their end of year reading level. 3<sup>rd</sup>-5<sup>th</sup> grade students will be able to select a bag of books based on their interests.

In addition to the Book Bag Program, computers will be set up in the cafeteria from 6:00-7:30 for students to play math and reading games each Tuesday and Thursday night. On Tuesday nights, the **Bagdad Library** will be open for check-out. We will also have various activities for **FAMILY FUN NIGHT**. (See the back of this flyer for details.)

If you are interested in participating in the Book Bag Exchange, please fill out the attached page and return it to school by **Wednesday, May 23**. We need know if your child will take part in the program, so that we will have enough book bags prepared for each student.

If you have any questions, please contact Christy Hilbun at (512) 570-5900. We are excited to provide this opportunity for your child this summer and look forward to seeing you at Bagdad.

***Please complete the attached registration form and return to it your child's teacher no later than May 23.***
